

Please Don't Eat Me for Thanksgiving!

Mom and Dad, let me tell you why you SHOULD NOT eat me for Thanksgiving. First of all, I have TOO many feathers and feathers don't taste good! Second of all, I'm too young, so I'll taste bad. Next, I am too tall, so I won't fit into the oven. Also, I don't go well with cranberries. Finally, you can eat the cranberries, stuffing, and soup. There's ALL kinds of Thanksgiving things to eat...besides ME!

P.S. I'll say it one more time...please DO NOT eat me for your Thanksgiving meal!
