

# **NO TURKEY!**

**Uncle D. and Aunt Rita, I am telling you that I really don't want to be YOUR Thanksgiving dinner. First of all, I know about your cooking! What you did LAST year was just W-R-O-N-G. Second of all, who eats a turkey? Eat the old turkey, just NOT me. Also, you better have ham because I am escaping that little oven! Last, but not least, I am dry to the bone. Please, I am not the right choice for your Thanksgiving dinner.**

**P.S. There are better choices for Thanksgiving this year!**
