The Croaking Disaster

COVEN TREE-On the third Sunday in June, local resident, Polly Kemp, was heard croaking. It all started when Polly Kemp entered a tent at the church social. A suspicious man by the name of Thaddeus Blinn was selling cards with the promise of one granted wish. She wished that people would notice her more and smile when they see her. Then in the schoolyard Kemp started saying jug-a-rum and everybody laughs. Local doctors do not know the source of the croaking. It might be a unknown sickness that has not been discovered. She finds out that only when she gets mad she starts to say jug-a-rum.

Then Kemp remembered her wish that people would notice her. Then she decided never to say a bad thing to a person ever again. Then she went over to local girly girls Agatha Benthorn house and Eunice Ingersoll was there. Kemp ran off and got so mad she started to say jug-a-rum. Then she ran to Stew Meat's store hoping he could solve her trouble. Meat used his last wish to cancel out Kemp's wish and more.

Not Everybody Likes Trees

COVEN TREE-It all started at the church social when Rowena Jurvis was seen entering a tent. The tent had a sign that said Thaddeus Blinn I'll give you anything you want for 50 cents. Rowena Jurvis was looking forward to seeing salesman Henry Piper's twice a year visit. Jurvis was really excited because she is in love with Piper. Piper arrived and Jurvis wished that Piper would plant roots in Coven Tree but not in the way that happened. She wished on that little card with the red dot on it and Piper was stuck to the ground. Later on they found that it was Jurvis's wish that caused this and Piper turned into a tree. Rowena found that Piper was a

mean boy and he really didn't like her he just wanted to sell things to her father. Then Jurvis to went to Stew Meat hoping that he could also solve her trouble. Meat cancels Jurvis's wish and still a little bit more.

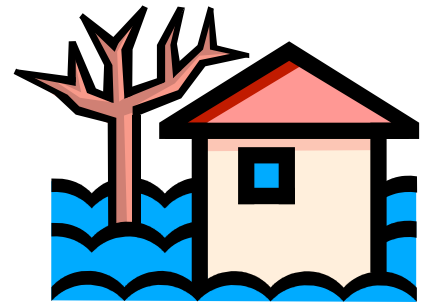

Flooding On The Farm

COVEN TREE-On the third Saturday in June a crazy thing happened. Adam Fiske as usual was hauling water from Spider Crick all the way to their farm. The Fiske farm was as dry as ever when Fiske wished on his little card with spot on it. He too got his card from the small man in the tent Thaddeus Blinn. Adam wished the farm had tons of water to grow the crops and plenty leftover. The next day The Fiske farm had sprung leak in the ground when Fiske dug some holes. The townspeople were very surprised and the strongest man in town tried to stop it by setting something big on it and pushing down on it. The Fiske

farm went from happy to sad when it started flooding and they knew they had to move out because of the spouts. Then once they had to get all of the furniture out Adam ran as fast as he could to Stew meat's store hoping he too could solve Adam's trouble. Then all Kemp, Jurvis, and Fiske showed up at the same time at Meat's store. Then he wished that all of their wishes were canceled out and they were all very happy. Their parents were all happy except for Rowena's and they all lived happily ever after.

Free Falling

COVEN TREE-Local general store owner Stew Meat has fallen off a cliff and broke half the bones in his body. Meat surprisingly survived the fall and was trapped in a gorge for three whole hours. The ambulance came to rescue him in his time of need. He is now at the hospital and will never walk again. All of Meat's family has come at the tragic time. They are all glad that Meat is okay. Nobody has ever fallen off a cliff and lived. Every single person in Coven Tree has brought him flowers. He is also very happy to be alive.
