

Dear Hoffman Family,

April 18, 2008

Hoffman School will be participating in TV-Turnoff Week from April 21-27, 2008. This event, sponsored by the TV-Free Network, encourages children and adults to watch much less television in order to promote healthier lives and communities. Each year during TV-Turnoff Week, millions of people take a break from television and completely reevaluate the role of television in their lives. We encourage your entire family to participate in this event by leaving your television sets off during this week.

Included with this letter, you will find a "Caution" banner. By placing this on your television screen, it provides a fun reminder to keep it turned off for the whole week.

It is our hope that during this time we will all rediscover that life can be more academically, socially, and physically rewarding when we live more and watch less. As one parent put it: "We turned off the Discovery Channel and began making our own discoveries." Please join us in this week long celebration!

Sincerely,

Mark Walther
